

**New look, same great care.**  
Working together as Ascension, your trusted hospitals and clinics can bring you advanced resources and a connected nationwide care network. You'll still find the specialties you need, the doctors you know and the quality care you've come to expect — plus much more.

**ABOUT ASCENSION**  
**Listening to you, caring for you**

From the moment you walk through our doors, you'll hear the sounds of hope, health and strength, because we're more than just hospitals, ERs and clinics. Ascension care teams start by understanding you, your health and your life to deliver care that's right for you. The compassionate, personalized care you've come to expect is close to home and connected to a national network of care and the expertise of a wide range of doctors and specialists. So, you'll be connected to all the care you need for you and your family.

**Flight for Life**  
“Three percent of us actually survive the type of heart attack I had. I should not be here today. I was so, so lucky.”

A woman sits at the kitchen table, ready to eat with her family. This woman's name is Sandy, and recently her family got just a little bit bigger.
